**Subject:** Grant Alert - Home Depot Building Healthy Communities

Grants, up to \$2,500, are now available to registered 501(c)(3) nonprofit organizations, public schools or tax-exempt public service agencies in the U.S. who are using the power of volunteers to improve the physical health of their community. Grants are made in the form of The Home Depot gift cards for the purchase of tools or materials.

Grants are for community improvement projects that include activities such as construction or refurbishment of affordable or transitional housing, building, rebuilding, painting, refurbishing, increasing energy efficiency or sustainability, landscaping, planting of native trees, community facility improvements, and the development and/or improvement of green spaces. Grants must support work completed by community volunteers in the United States.

Due Date: July 1
