Good afternoon:

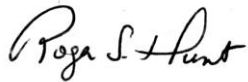

Effective Thursday, July 1, 2010, Central Illinois Neuro Health Sciences, the neurosurgical practice of Ann Stroink, M.D., Keith Kattner, D.O., Emilio Nardone, M.D., and Jason Seibly, D.O., will be providing neurotrauma surgical coverage exclusively at Advocate BroMenn Medical Center. This practice and its physicians are no longer providing neurotrauma surgery call at OSF Saint Joseph Medical Center.

The continued trauma coverage helps hospitals through the region and EMS providers by assuring speedy access to neurotrauma care while allowing patients and their loved ones to remain close to their home and family.

The Advocate BroMenn Medical Center neurotrauma surgery services 24/7 is backed by the Medical Center's Neurosurgical residency program and remains dedicated to being your partner in care.

If you have any questions, please contact Dr. Gary Hagens, Chief Operating Officer and Vice President of Medical Management at 309.268.2003, or Lori Pegg, Director of Nursing and Emergency and Trauma Services at 309.268.5360.

Sincerely,

Roger S. Hunt
