Quality Assurance Coordinator

RE: FAST Screen Forms

Reminder:

Please remember to leave the FAST Stroke Screen Forms at the hospital with the run form or fax it to the hospital with the run form on all possible stroke patients. Both BroMenn and St. Joseph are designated Stroke Centers and the FAST Stroke Screen Form is an important part of the patient's chart. This form must be filled out for any patient presenting to the EMS system with signs or symptoms which could be stroke related.

If you have any questions about the FAST Stroke Screen Form, please refer them to me at the McLean County Area EMS office.
